

Communication Secretary's Report

The Members' Survey is pretty much done, but there is still time to make last minute changes or additions if anyone has any suggestions...?

A short piece to publicise the survey is in April's magazine, and I'll also add it to Facebook. Anna Halfpenny has kindly done an illustration for the survey around the theme "Our Conrad Needs You".

The plan is to send out a link to the survey in early May to all members to whom we have a current email address, and for paper copies to be sent with May's magazine to all members without an email address. That way, all the membership will have a chance to have their say.

There will be another article in May's magazine, plus on social media, to remind members to look out for the survey, and to complete it within a month.

In order to get the best response, it would be helpful if we could collectively create as much buzz as we can around the survey. So please chat about it at your local club meets, and in particular at the National. Anything that gets members discussing the club and its future will aid getting answers to the survey, and ultimately help us to shape the club for the future.
