Update on action points from last meeting

2025 National

Chris Farnham and I will man the membership stand for a few hours each day as agreed with Gary (i.e. when it's most likely the entrance gate will be busiest). Outside those hours, we'll be on call.

National camp briefing document

Not a single response has been received, so presumably everyone is happy for it to be accepted.

SPOG

At the end of February I emailed David Eden, Bean, Jim Rogers and Dot. Only Jim has provided anything so far.
